

NCA 430 – The Next Generation 14ft Catamaran!

The **NCA 430** is a modern, versatile 14ft catamaran designed for families, clubs, schools, and sailors of all ages wanting an easy-to-handle yet high-performance catamaran. With sleek modern styling, simple rigging, and exciting performance, the 430 is perfect for learning, racing, adventure sailing, or relaxed cruising with family and friends.  

Designed and built in Australia by sailors who understand local conditions and what modern sailors want, the NCA 430 combines performance, durability, safety, and incredible value in one exciting package.

Its **extra-large trampoline area** gives outstanding comfort and space, allowing crews to carry more people with ease while still maintaining excellent stability and performance on the water. 

The 430 has also become extremely popular with older sailors wanting a modern catamaran that is easy to rig and launch single-handed. With its lightweight mast design featuring **no spreaders**, simple systems, and a beam designed to fit into a **standard-width garage**, the 430 is practical as well as fun to sail.  

 **Australian Built • NCA Designed • Backed by a 2-Year Warranty AU**

 **Outstanding value with local backup service, spare parts, and support available**

Three Versions – Choose Your Adventure!

Clubman – Perfect for Clubs & Schools
